Carbon per employee: **3.2** tCO₂e

Comparison to previous period:
Total change: **-15.7 %**
Per employee: **-18.2%**

Next carbon reduction target: **5 %**

Direct contribution to **7** Sustainable Development Goals

Engage

Achieving The Planet Mark demonstrates:

- Participation in workshops, use of toolkits and green team mobilisation to engage employees and supply chain to drive improvements in sustainability
- Donation to the Eden Project to support education on climate change
- Donation to the award-winning charity Cool Earth to protect one acre of endangered rainforest and the communities within it.

Communicate

Achieving The Planet Mark demonstrates:

Leadership in raising awareness of business sustainability by communicating your achievements, best practices and continuous commitment by carrying The Planet Mark logo and through the dissemination of press releases, case studies and other media.
